"Our Mission: To provide veterans with the necessary tools to embark upon their civilian careers or educational pursuits."

Work Vessels for Vets is a non-profit, non-political foundation whose purpose is to assist veterans embarking on their civilian careers or educational pursuits by gathering and distributing the necessary tools, equipment, or know-how.... And it is our hope, that our veterans do so knowing that, for those upon whose behalf they have served remain forever grateful.

Please support our effort and make a donation
